

Welcome to the Long Tower Primary and Nursery school app. Long Tower Primary & Nursery School is located just outside the Derry Walls, close to the city center. It is a beautiful school dating back over 100 years. Although, a traditional school, the building is bright, modern and inviting inside and we are very forward thinking when it comes to educating our children. The school is conveniently located for those parents working in the city center. Parents can drop their children off at 08:15 in the mornings at our breakfast club and the children can attend a range of clubs in the afternoon.

In our recent inspection report we were graded Outstanding in all areas. Inspectors from ETI noted:

***"The children are extremely proud of their school and their achievements; their behavior is excellent. They are highly motivated to learn, settle quickly and with a great sense of enjoyment in their lessons, and show consideration and respect for one another, their teachers and other adults."***

The school app is part of our commitment to communicate with parents. The app will deliver the latest school news, events, push notifications and much more. The benefits to our parents include: -

- ✚ Instant access to an up to date school calendar. You can add any event to your own calendar on your phone, with just one tap of the screen.
- ✚ The school will send you important messages and reminders.
- ✚ The app has direct contact links to the school, one touch email/ dialing.
- ✚ You can keep up to date with what is happening in the school. Read bite sized news items and swipe through the school image gallery.

- 📌 Report your child's absence to the school on the app – simple and instant.
- 📌 You can keep up to date with school policies, canteen/breakfast club menus and after school clubs by visiting the documents section of the app

The app is intended to help parents and guardians keep up to date with school life. It can be downloaded by parents, guardians, grandparents and child minders so that all vested parties can keep up to date with school life.
