Long Tower Primary & Nursery School E- Safety Policy

Our Children First

E-SAFETY - Online Internet Safety

- ✚ Don't post any personal information online – like your address, email address or mobile number.
- ✚ Think carefully before posting pictures or videos of yourself. Once you've put a picture of yourself online most people can see it and may be able to download it, it's not just yours anymore.
- ✚ Keep your privacy settings as high as possible
- ✚ Never give out your passwords
- ✚ Don't befriend people you don't know
- ✚ Don't meet up with people you've met online. Speak to your parent or career about people suggesting you do
- ✚ Remember that not everyone online is who they say they are
- ✚ Think carefully about what you say before you post something online
- ✚ Respect other people's views, even if you don't agree with someone else's views you do not need to be rude
- ✚ If you see something online that makes you feel uncomfortable, unsafe or worried: leave the website, turn off your computer if you want to and tell a trusted adult immediately.
