SAFETY IN THE SCHOOL CAR PARK

In the interest of our children's safety, it is really important that children do not walk through the car park at any time. This is particularly important in the mornings and at the end of the school day when cars are reversing and driving into and out of the car park. Please respect this rule as it is there to protect your child.

LITTLE PLAYHOUSE EARLY YEARS PROJECT

We are delighted to be involved with the Playhouse in their early years' project, funded by Derry and Strabane District Council, Good Relations Fund.

The Playhouse are offering a neutral, safe space for nursery children from different backgrounds to come together and participate in a positive shared experience that promotes diversity and celebrates difference. The workshop will help children develop their gross and fine motor skills, communication and self-awareness and interdependence. The children will attend the Playhouse on Wednesdays with their friends from Fountain Nursery. They will be transported to and from Artillery Street and the programme will run for several weeks.
